“ My mother was the best woman you would ever meet she was a character let me tell you she was the party she would make you laugh no matter what was going on in your life and she could walk up to anyone on the street and just talk to them and she would do that she was the best mother in the world any one could ask for and I wish I could have her back but I know that's not possible but I'm so grateful for Haley McGinnis funeral home & crematory for everything they have done for my mom and doing what she wanted for her last wishes.

Rest in peace mommy I LOVE U
